

## **2020-2021 Theatre Department Supplies List**

### **Students in Acting 1, Acting 2, Acting 3, Acting 4, Playwriting, Directing/Stage Management**

- pencils and erasers
- black or blue pens
- loose leaf paper
- composition book\*
- folder or binder\*\*

\*The composition book must be dedicated for use only in the theatre classes list above as it will be submitted periodically for a grade.

\*\*Each student is responsible for filing and keeping track of all handouts and assignments. Students may choose to use a binder with multiple sections to track all of the courses they take in theatre. The folder/binder will not be collected by the teacher but is each student's responsibility to maintain and organize.

### **Students in all acting classes**

Students in Acting classes must come to class dressed to MOVE. Consider comfort and modesty during physical activities which include bending, stretching, lying on the floor, exercises (yoga and such), and more. Great choices include clothing (including shoes) that allows the student to move freely without having to adjust it during physical activity.

### **Students in Theatre Department**

Theatre Department students need a 2" heavy-duty binder with pockets, dividers, and folder inserts for storing all materials for juries. This binder will be used throughout the entire high school experience and students will add materials both for juries each semester and also for their audition portfolios.
